

Dear Sir/Madam,

We are delighted to announce our upcoming participation in the Vietnam International Communications Technology Exhibition (VIETNAM ICTCOMM 2026).

We cordially invite you and your company representatives to visit our booth. During the exhibition, we will showcase our latest range of fiber optical modules and OTN DWDM transmission systems. To discuss potential collaborations or learn more about how our components can optimize your network infrastructure, please complete the meeting request form below. This will allow us to schedule a dedicated meeting with you at our booth.

We look forward to connecting with you in Ho Chi Minh City.

Exhibition Center：Saigon Exhibition & Convention Centre (SECC) / Ho Chi Minh City
